OCCUPATIONAL HEALTH & SAFETY POLICY

In all aspects of its construction, maintenance and administration activities KT Pty Ltd will endeavour to protect the occupational health and safety of all its employees.

KT Pty Ltd has developed an Occupational Health and Safety Management System that is integrated with all organisational activities. All employees and managers have a responsibility to work safely, to take all reasonable care for their own health and safety and to consider the health and safety of other people who may be affected by their actions.

KT Pty Ltd adopts the preventive principle that a zero injury frequency rate is achievable and therefore a key management objective. The benefit to be gained from a successful safety and health program are significant in both human and monetary terms and justifies the pursuit of the highest standards of occupational health and safety.

The overall policy objectives are to:

- o Provide adequate OHS resources, training, instruction and a documented safe system of work aimed at the elimination of work related injury and illness
- o Compliance with applicable legal requirements and other requirements to which the Company subscribes
- o Through consultation with relevant stakeholders achieve improvement of the OHSMS by performing regular reviews to ensure that measurable Occupational Health and Safety objectives and targets are met

All staff shall be made aware of their OHS obligations and will follow the requirements of the Occupational Health and Safety Management System in the performance of their tasks and will ensure this policy is supported and maintained. This policy will be communicated to our employees, customers, suppliers and subcontractors and is available to the public via the Company's website www.kt.com.au
